

HAPPY NEWS

Your weekly round up of feel-good news from around the world!

Lighter evenings are on the way!

March marks the beginning of Spring - which means lighter evenings and warmer weather. What's not to like about that?

Heinz want to buy lost sailor a new boat

Elvis Francois spent 24 days lost at sea. When he was rescued, he said that he had survived on tomato ketchup! Now, Heinz want to find him and treat him to a new boat to celebrate his safe return.

Ref issues first football white card

The first ever white card has been used in a professional football match in Portugal. A white card can be issued for good behaviour, sportsmanship and fair play. Portugal is the only country to use the cards so far.

Skies sparkle across the UK

If you looked up to the sky over the last few nights, you may have seen them shine with beautiful colours. The activity was the result of a solar storm.

26 animals saved from extinction

Australia are leading the way in caring for animals facing extinction. New research shows that 26 species have been saved. Amazing work!
